The Legend of Topsy McSway

Topsy's parents gave birth on a ship that was crossing the International Date Line. Labor began on Tuesday and Topsy was born the previous Monday. Her father was drunk and her mother was sea-sick, so when the baby finally came, they named her **Topsy McSway.**

The creation of restaurant owner Susan Bates, a friend to all, Topsy McSway represents scrumptiousness, sunshine and adventure!

BUILD YOUR BURGER
